

INFORMATION TO KNOW ABOUT YOUR WATER!!

NTMWD has passed on an annual increase every year for 10 years totaling 100.25%

BCSUD in the past 10 years has only had 3 rate increases totaling 50%

Based on the NTMWD take and pay contract, BCSUD has paid for 112,000,000 unused gallons of water at a cost of over \$221,000 since 2012.

Did you know?

It would take 7,570 16.9 oz bottles of water to equal 1,000 gallons. At \$0.14 a bottle that would cost you over \$1,000.00.

At Bear Creek SUD 1,000 gallons of water would cost \$5.50
